ANOTHER MUSKEGON HEIGHTS SCHOOL MAKES AYP

Superintendent Dana M. Bryant announced that, after recent MEAP results were reviewed, the Michigan Department of Education confirmed that Edgewood Elementary School has achieved AYP status

Last month, the school district announced that Muskegon Heights Middle School, Loftis Elementary School and Lindburgh Elementary School have met AYP requirements. In addition, Martin Luther King, Jr. Elementary School met AYP standards in math.

"We know that all of our schools are working hard to improve academic achievement and this is more evidence that we are headed in the right direction," says Supt. Bryant.
